

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery which are recognized within the industry as durable and strong machines that suits the requirements of heavy industry and larger infrastructure. Products made in America; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind model of floor scrubber together with the Clarke Company who is currently likewise owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln can supply components, warranty service and machinery for these scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of numerous facility managers where efficiency and results count. Lately, this particular floor scrubber model has been used by the architects in different construction projects like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on location due to the model's utmost performance level and high standard of quality for polishing concrete.
